1. Just Starkey - 25% - WILDATHOME25 (Code active until Tuesday night midnight cst) - [www.JustStarkey.com](http://www.JustStarkey.com)

The New Release is dropping March 8th! This one is going to be full of new fabric items such as Keychains, Scrunchies, Boho Bookmarks, Sticker Sheets and more.

This is the second year that the Just Starkey Shop has been open and I'm having so much fun. Definitely have learned a few things since opening, and have added quite a lot of different products. I would describe my shop as boho chic, whimsical, and crafty.

2. Laylas Loft - 15% - PLANNERPARTY15 (Code live for 2 weeks)  
<https://www.laylasloft.com.au/discount/PLANNERPARTY15>

I do have a release coming up, I'm working on my first sub box, but manufactures are slowing me down haha so I don't have an exact date but hoping in the next few weeks. I've had my shop for just over 3 years.

I love to draw, everything I do is original and hand drawn by me, I think my favourite product would have to be the Washi Tape 🥰

3. Hello Happiness Co - 25% - WILDATHOME25 - <https://www.etsy.com/shop/HelloHappinessCo>

I'm working on new PrintPression, Hobonichi Weeks and Generic Weekly kits (1.5in width). I will be celebrating 7 years in July- still deciding how I want to celebrate but I'm thinking sales and grab bags. My favorite products I carry are my quote sheets. Each other is tediously designed- I find and research each quote and pick the perfect font or font pairing for each. I try to steer away from toxic positivity, and I aim to find more real and raw quotes- especially with grief, recovery and spoonie quotes. Those definitely take a lot of time and at the end it becomes like Tetris trying to get them all in just perfectly to fit the sheet.

4. Beedoo&Co - 20% - PLANNERPARTY20 - <https://beedooandco.com/>

We are a husband and wife duo who run the shop. Derek is the designer and I (Kat) run everything else :)

We are a part of the Made in Canada sale coming up at the end of the month, so we will have lots of new releases ready for that time. We've been around since 2015, but started selling planner stickers around 2019. We started the shop as a means to help pay for our wedding, but we've loved the community so much that we never stopped after our wedding.
